## **Comparative Organizational Inequality Network**

**January 18–20, 2018, Sciences Po, Paris**

Organizer: Olivier Godechot, MaxPo

**MaxPo** and the Observatoire sociologique du changement (OSC) will host the sixth Comparative Organizational Inequality Network (COIN) meeting. First results of the COIN research will be made public on January 19th during the Friday morning open session with presentation and discussion of the following research:

**Donald Tomaskovic-Devey** (and COIN):

Producing Inequalities: An Examination of the Workplace Generation of Earnings Inequalities in Thirteen High Income Countries

**Olivier Godechot** (and COIN):

The Great Separation: Job Polarization in Six Countries

**Dustin Avent-Holt, David Card, Martin Hallsten:**

Occupational Hierarchies across Workplaces in Sweden

**Eunmi Mun, Zoltán Lippényi, Jiwook Jung:**

Workplace Volatility and Gender Wage-gap in the Netherlands and South Korea

**Trond Petersen** (and COIN):

Within Job Gender Inequality in Twelve Countries
